REMARKS

Claims 25-27, 31, 34, 40-45, and 47-60 are currently pending in the subject application. Applicants have hereinabove canceled claims 25-27, 31, 34, 40-45, and 47-60 without disclaimer or prejudice to applicants' right to pursue the subject matter of these claims in the future. Instead, applicants have added new claims 61 to 73 which reflect the discussions of claims which would define allowable subject matter during the June 21, 2006 in person interview and a telephone interview earlier today.

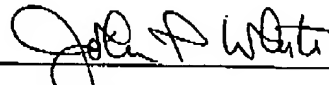

Applicants maintain new claims 61-73 raise no issue of new matter and that the claims are fully supported by the specification. Accordingly, applicants respectfully request entry of this Supplemental Amendment and allowance of new claims 61 to 73.

If a telephone interview would be of assistance in advancing prosecution of the subject application, applicants' undersigned attorney invites the Examiner to telephone him at the number provided below.
